
CIAN O MAHONY

EDUCATION

UNIVERSITY COLLEGE CORK BUSINESS INFORMATION SYSTEMS
2ND YEAR RESULTS: FIRST CLASS HONOURS

EXPERIENCE

BEACH LIFEGUARD, CORK COUNTY COUNCIL 2016-2018

Conducted an administrative function in my role as a beach lifeguard. Managed all communication with Cork County Council and other appropriate agencies. Mentored other lifeguards, filled out the pay sheets, first aid report forms, incident report forms, rescue report forms as well as logging the daily occurrences that happen on the beach. Responsible for filling out weekly statistic sheets for my beach.

TECHNOLOGY INTERN, RINODRIVE SUMMER 2018

During the summer I had the opportunity to work for a cutting edge tech start up in Cork. At Rinodrive I was responsible for the design work in their social media campaign. I also coded a data breach cost calculator for their website using javascript.

CONTENT CREATOR, SURF HOLIDAYS 2015-2016

Wrote blog posts for surfholidays.com with the aim of improving the site's search engine optimisation. Also largely contributed to the design of the current surf holidays logo through gathering requirements from the CEO.

WEB DEVELOPER & GRAPHIC DESIGNER 2015-2017

As a sixteen year old in transition year I taught myself graphic design and how to code using HTML, CSS and Javascript. I made websites and designed leaflets for local businesses using these skills.

INTERESTS

My professional interests include programming, design and video editing.

I speak three languages at a confident level: Irish (Fluent), French and Spanish.

PERSONAL PROJECTS (GITHUB: CIANOMAHONY)

Coded a bot in Python to download all exam papers for every module you're studying in UCC (received 940 likes and 32,000 views on LinkedIn).

I made a script in Python that gets the data for every house on daft.ie and returns the average house price for every county in Ireland with data visualisation.

I'm currently equipment manager for UCC Surf Club and a member of the E&S society.
